

Bianchi BVM 952

Bianchi BVM 952 is available as a Bean (ES) or instant (IN) version.

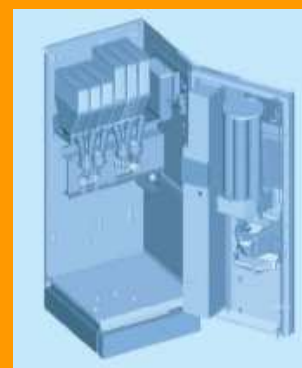

Additionally the machine can be supplied with a built in module for cold drinks.

Very flexible programm of the machine allows to create your personal drinks. Every mixer and every product container can be used by the programm many times for the preparation of just one drink. You can for example prepare a special cappuccino with two separate layers of milk with a choco layer between!

Espresso verion (ES) has 6 containers for instant products and a whole bean container with a Bianchi patented grinder and espresso module.

Instant version has 7 containers for different instant products.

Machine inside: Version ES and IN
