

Bianchi BVM 972

Bianchi BVM 972 is available as a Bean (ES) or instant (IN) version with huge product capacity.

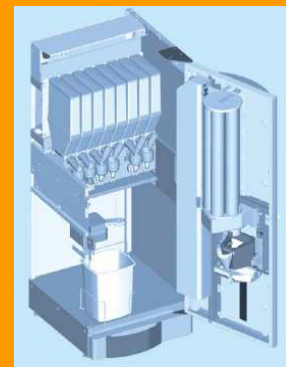

Additionally the machine can be supplied with a built in module for cold drinks.

Very flexible program of the machine allows to create your personal drinks. Every mixer and every product container can be used by the program many times for the preparation of just one drink. You can for example prepare a special cappuccino with two separate layers of milk with a chocolate layer between!

Espresso version (ES) has 6 containers for instant products and a whole bean container with a Bianchi patented grinder and espresso module.

Instant version has 8 containers for different instant products.

Machine inside: Version ES and IN
