

FAS FASHION / R

Hot vending machines of FAS International are optimally compatible with the whole range of snack vendors.

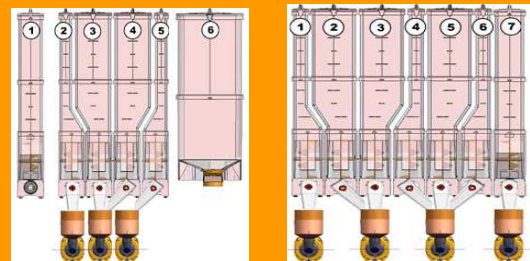

Designed to keep the unique corporate look of selling station like FASHION+FAST combination, FAS hot drink machines prepare tasty hot drinks on a base of instant or whole bean coffee and instant ingredients.

Easy to programm, easy to control - electronically devices of FAS FASHION machines are able to manage up to 2 snack vendors with one payment system.

FAS FASHION ia available in whole bean (ES) version with 6 product containers and instant (IN) version with 7 product containers, both machines are available in normal version (FASHION) or reinforced (FASHION R) version.

Optionally bottom and upper front panels are back lighted.
