

Spengler SL 1000

Spengler SL 1000 is a machine of the best quality and the highest technological standards - with a LCD-display and touch-screen keyboard (!) All Spengler machines are completely developed and produced in Germany.

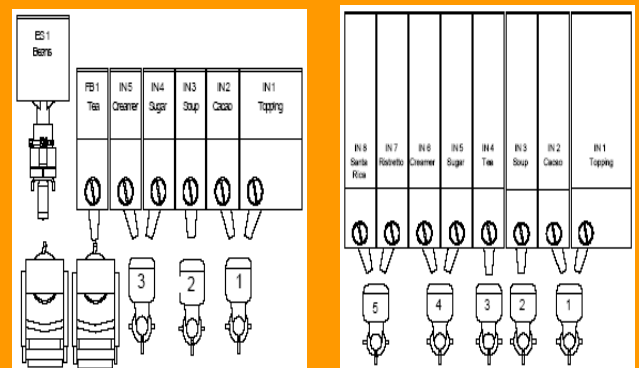

SL 1000 is available as whole bean (ES), fresh brew (FB) and instant (IN) model. ES and FB versions prepares fresh leaf tea as well!

A capacity of 1000 cups is more than enough! The original Spengler grinder and espresso module make the finest coffee and tea.

Instant version (IN) has 8 containers for different instant products.

Version ES contains 1 container for coffee beans and 1 container for leaf tea and 5 containers for instant products.

Spengler SL 1000 inside: Version ES and IN
